DERMAPLANING AVAILABLE NOW IN THE SPA !

£25 PER TREATMENT

This treatment will be available with our lovely new team member Erin!

What is Dermaplaning?

This is a simple and safe procedure for removing dead skin cells and peach fuzz from the face with a special tool. The hair often causes a build-up of dirt and oils in the follicles, so removing the hair leaves you with healthier and glowing skin. There is also no need to worry about the hair getting any darker; dermaplaning targets the vellus hair (peach fuzz) that grows back the same size and colour.

BENEFITS

Boosts the effects of skin care products

Leaving your skin to feel super smooth

Reducing the appearance of acne scars

Suitable to all skin types
